

A close-up photograph of a dark-colored jacket's zipper. The zipper is partially open, showing the teeth and a pull tab. The word "MAMMUT" is printed in white, bold, uppercase letters on the left side of the jacket panel. The background is dark and out of focus.

MAMMUT

Insulator

Featuring a highly technical synthetic fiber fill, the Insulator is just as warm as the leading down jackets of its weight class but comes with one crucial advantage: maintained insulation performance even in damp conditions.

Mtn Pro 2.0 IN Jacket

Featuring a highly technical synthetic fiber fill, the MTN Pro 2.0 IN Jacket is just as warm as the leading down jackets of its weight class but comes with one crucial advantage: maintained insulation performance even in damp conditions.

Designed for both everyday and professional use, its durable ripstop face fabric makes it an excellent choice as an outer layer. Boasting a PFC-free durable water-repellant coating, it also helps keep you dry in unfavorable conditions.

A reliable insulating layer for mountain professionals, the MTN Pro 2.0 IN Jacket got its name for a reason.

- Rip-stop face fabric
- G-Loft insulation
- 2 Side Pockets
- 1 Chest Pocket

All available in:
Black
